

Application No.: 10/596836

Case No.: 59029US004

REMARKS

The present submission is in response to a telephone call from the Examiner on May 18, 2009. Applicants wish to thank the Examiner for indicating that the application appeared to be allowable and suggesting amending claims 5 and 6, and incorporating drug lists from claims 12, 13, and 14 (and 21, 22, 23, 30, 31, and 32) into the specification.

Applicants have made the suggested amendments except that claim 5 has simply been canceled instead of being amended.

In view of the above, it is submitted that the application is in condition for allowance. Reconsideration and favorable action are therefore requested.

Respectfully submitted,

May 19, 2009
